Bill,

Either tomorrow afternoon, or Wednesday, we are going to send you and Carol Dinkins an agenda for the meeting on Thursday (10 am).

In the interim, so that you can plan who to bring to the meeting, I wanted to let you know that primarily we want to discuss, and ask questions about, the information provided about the sediment handling/disposal options outlined in your letter dated September 7, 2012.

We suggest that you bring with you whoever is in best command of permitting and logistics as that will be the focus of the questions.

Regards,

-Sarah
